FORECLOSURE SALE.

Notice is hereby given that by virtue of a judgment and decree of foreclosure and sale, duly made and entered in the District Court of the First Judicial District of the Territory of Arizona in and for Cochise County, on the 6th day of March, 1889, in favor of Joel Seymour as trustee for the bondholders under a first mortgage, as plaintiff, and The Neptune Mining Company, a corporation, defendant, I, the sheriff of said Cochise County, am required to advertise the following described premises and properties for sale, and to sell the same, or so much thereof as may be necessary to make the sum of \$63,451.93, with interest thereon at 6 per cent per annum from date of judgment until paid; together with costs, commissions and expenses of said trust and accruing costs and commissions of sale.

Following is a description of the property embraced in said judgment and decree of foreclosure, to-wit:

Premises known as the Hereford townsite premises. Said premises be-000 acres of land, situate in San Pedro valley on the San Pedro river, Cochise County, Arizona Territory; commencing about 18 miles up the San Pedro river, and south from the town of Charleston. Said premises being a part of the Spanish land grant known and designated as the San Rafael del Valle; and particularly described as follows:

From the n.e. corner of said premises designated by a post, Ajax Hill, near Tombstone, bears N 20° W, near the southeast corner of said premises designated by a post, said Ajax Hill bears north 21° 30' west, and the highest peak of the Huachuca mountains, S 86° W. From the w. corner of said premises, designated by a post, the highest peak of the San Jose mountains bears S 41° 45' E, and the highest peak of the Huachuca mountains bears S 84° W; and from the w. corner of said premises, designated by a post, said Ajax Hill bears N 17° 30' W. Together with the appurtenances.

Also all those several tracts of mining land and premises hereinafter described, situate and being in the Warren mining district, near and southerly from the town of Bisbee, and all in Cochise County, Arizona Territory, known and particularly described as follows, to-wit: The Neptune mining claim, the n.e. corner of which bears S. 36° E, and distant about 1680 feet from the U S mineral monument No. 1; thence S. 52° E, 1360 feet to a monument of stones, the s.e. corner of the premises, and also the n.w. corner of the Space mine; thence S. 38° W, 478 feet to a monument of stones, the n.e. corner of said claim; thence northerly about 1400 feet to a monument of stones, the n.w. corner; thence N. 38° E, 690 feet to the place of beginning.

Said Neptune mine is bounded on the northwest end by the Hayes and Lookout mines, and partly on the n.e. side by the Lookout mine, and on the s.e. end by the Space mine. The Excelsior mine from the n.e. corner of which claim the said U S mineral monument No. 1 bears N. 52° 30' W, distant 4200 feet; thence north 71° 30' W, 1320 feet to a monument of stones, the n.w. corner of said Excelsior claim and also the n.e. corner of the Space mine; thence south 38° W, along the s.e. end line of said Space mine about 473 feet, to a monument of stones, the s.w. corner of Excelsior claim and the s.e. corner of the Space mine; thence southeasterly about 1287 feet to a monument of stones, the n.e. corner of said Excelsior mine, thence north 38° E, 571 feet to the place of beginning.

The Space mine is situated and embraces all the premises between the above described Neptune mine and Excelsior mine, being about 600 feet wide by 83 feet in length. Said Space mine was located January 11, 1881, and the notice of such location is of record in the office of the county recorder in said Cochise County, in book 5 (transcribed Record 3) of mines, at page 116, which record is hereby referred to for a more particular description of said Space mine.

The Hayes mine, commencing at a monument of stones at the n.w. corner and from which point the said U S mineral monument No. 1 bears north 13° 30' W, distant 1650 feet; thence north 68° 15' east 574 feet to a monument of stones; thence south about 12° 30' W, 1016 feet to a monument of stones, the s.e. corner of said claim; thence westerly parallel with the north end line, first described, 574 feet to a monument of stones, the s.w. corner of the claim; thence north 12° 30' E, 1016 feet to the place of beginning. Said Hayes mine is bounded on the north by the Cave and Lookout mines; on the northern portion of east side by the Lookout and Neptune mines, and on the northern portion of the west side by the Neptune mine.

The Lookout mine is bounded on the south by the said Hayes and Neptune mines; on the southwest and west end by the Cave and Hayes mines, and on the north by the Goddard mine. The location notice of said Lookout mine is of record in book 6 (transcribed Record 3) of mines, page 400, said Cochise County.

The Surprise mine is described as follows: Commencing at the above mentioned n.w. corner of said Hayes mine, from which point said U S mineral monument No. 1 bears N. 13° 30' W, distant 1650 feet; thence S. 54° 30' W, 504 feet to a monument of stones; the n.w. corner of said Surprise mine, and from which point said U S mineral monument No. 1 bears N. 2° 30' E, distant 1920 feet; thence from said n.w. corner south 5° E, about 408 feet to a monument of stones, the s.w. corner of said Surprise mine; thence north 53° 0' E, about 398 feet, to the above described west

mine, and a monument of stones, the s.e. corner of said Surprise mine; thence north 12° 30' E, along said west line of said Hayes mine to the place of beginning.

Said Surprise mine is bounded on the east by the said Hayes mine and on the west by the Brother Jonathan mine. The Brother Jonathan mine is described as follows: Commencing at the above mentioned n.w. corner of the said Surprise mine from which point the said U S mineral monument No. 1 bears north 2° 30' E, distant 1980 feet; thence south 53° 30' W, 1500 feet to a monument of stones, the n.w. corner of said Brother Jonathan mine; thence south 6° E, 408 feet to a monument of stones, the s.w. corner of the claim; thence north 53° 30' E, 1500 feet to a monument of stones which is the s.e. corner of the Brother Jonathan mine and also the s.w. corner of above described Surprise mine; thence north 60° E, along the west line of said Surprise mine to the place of beginning.

The Uncle Sam mine is described as follows: Commencing at the above described northwest corner of said Brother Jonathan mine, from which point said U S mineral monument No. 1 bears north 24° east distant 3201 feet; thence south 81° west 1452 feet to a monument of stones, the n.w. corner of the claim; thence south 6° E, 488 ft. to a monument of stones, the n.e. cor. of the claim; thence north 79° 30' E, about 1433 feet to a monument of stones, the southeast corner of the claim, and also the southwest corner of the above described Brother Jonathan claim; thence north 6° W, along the west end line of said Brother Jonathan mine to the place of beginning. Together with appurtenances of said claim and premises.

The Uncle Sam mill site, described as follows: Commencing at a monument of stones, the northwest corner of the said mill site premises, from which point the above mentioned U S mineral monument No. 1 bears north 75° W, distant 2308 feet; thence south 6° W, 300 feet to a monument of stones, the s.w. corner of these premises; thence south 76° 30' E, 818 feet to a monument of stones, the southeast corner of these premises; thence north 6° E, 300 feet to a monument of stones; thence north 76° 30' W, 818 feet to the place of beginning. Together with the appurtenances.

The Hayes mill site described as follows: Commencing at a monument of stones, the northwest corner of these premises, from which point the said U S mineral monument No. 1 bears north 73° 30' W, distant 1155 feet; thence south 19° E, 198 feet to a monument of stones, the southwest corner of these premises; thence north 71° E, 198 feet to a monument of stones; thence north 19° W, 108 feet to a monument of stones; thence south 71° W, 198 feet to the place of beginning. Said Hayes mill site is bounded on the north by the Rucker mine. Together with the appurtenances.

List of personal property—One stealer plant, complete, with tools, fixtures, piping, tanks, extras, etc. One steam power hoisting works complete. Mining tools of every description. Blacksmithing outfit and tools. One engine known as the Neptune engine, rented to and at the works of the Copper Queen Consolidated Mining company at Bisbee.

All other personal property of every description whatever belonging to the Neptune Mining Co.

Public notice is hereby given that on Wednesday, the 20th day of Nov., 1889 between the hours of 9 a. m. and 4 p. m., in front of the court house, in the City of Tombstone, Cochise County, Arizona Territory, I will sell all the right, title and interest of the said Neptune Mining Co., a corporation, in and to the above described property at public auction to the highest and best bidder, for cash, lawful money of the United States, to satisfy said judgment and decree.
